## **On Secret Service** John Jakes

Called "the godfather of the historical novel" by the *Los Angeles Times*, John Jakes transports readers to a divided America and the last great untold story of the Civil War. Jakes, whose *North and South* trilogy includes all number one *New York Times* bestsellers, writes about the Civil War like no one else, and constructs a story of the shadow war waged by Union and Confederate spies and counterspies, by undercover agents and provocateurs on both sides of the line. From the involvement of the Pinkertons to the creation of the Secret Service to Lincoln's assassination, Jakes focuses on four young people caught up in the chaos of war: a spy, a rebel, an actress, and an officer, their lives swept away in a tumult of love, hatred, political intrigue, violence, and constant danger.

Set against the fiery backdrop of the Civil War, from fierce battles to the stunning violence of the New York Draft Riots to that fateful night at Ford's Theater when even the President's handpicked men could not stop an assassin's bullet, *On Secret Service* is rife with real people and accurate period detail--historical narrative at its finest--and is another classic from the master of the genre.

"John Jakes . . . is, quite simply, a master of the ancient art of storytelling." --*The New York Times Book Review*

"Jakes makes history come alive by weaving strands of fiction with carefully researched and brilliantly presented historical figures and events."--*The Washington Post Book World* (on *American Dreams*)

### From reader reviews:

#### **Amber Weitz:**

Nowadays reading books be than want or need but also turn into a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge your information inside the book in which improve your knowledge and information. The details you get based on what kind of guide you read, if you want have more knowledge just go with education and learning books but if you want feel happy read one along with theme for entertaining like comic or novel. The particular On Secret Service is kind of guide which is giving the reader erratic experience.

#### **Thomas Carroll:**

This On Secret Service are reliable for you who want to become a successful person, why. The reason why of this On Secret Service can be on the list of great books you must have is actually giving you more than just simple examining food but feed you with information that might be will shock your previous knowledge. This book is actually handy, you can bring it everywhere you go and whenever your conditions both in e-book and printed versions. Beside that this On Secret Service giving you an enormous of experience including rich vocabulary, giving you tryout of critical thinking that we all know it useful in your day task. So , let's have it and enjoy reading.

#### **Cheri Whaley:**

Why? Because this On Secret Service is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will distress you with the secret the idea inside. Reading this book alongside it was fantastic author who write the book in such wonderful way makes the content on the inside easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of positive aspects than the other book include such as help improving your expertise and your critical thinking means. So , still want to delay having that book? If I had been you I will go to the guide store hurriedly.

#### **Eleanor Walker:**

E-book is one of source of information. We can add our know-how from it. Not only for students and also native or citizen have to have book to know the revise information of year in order to year. As we know those ebooks have many advantages. Beside we add our knowledge, may also bring us to around the world. Through the book On Secret Service we can consider more advantage. Don't you to be creative people? To be creative person must choose to read a book. Only choose the best book that suited with your aim. Don't become doubt to change your life with that book On Secret Service. You can more desirable than now.
