SUCCEEDING WITH WHAT YOU HAVE (Timeless Wisdom Collection Book 271) Charles M. Schwab

This is the only book ever written by this great industrialist, considered one of the greatest entrepreneurs in US history.

It is a candid description of his life and his work methods, that gives a light into the life of this brilliant steel titan, and his thinking on business and on personal management. The greatest critic to this book: that it doesn't say more! It is so interesting, that it leaves people with the desire for more. Sadly, this is all there is.

His career was brilliantly portrayed in Napoleon Hill's Think and Grow Rich.
