**The Fenian Sacrifice: Summer of the Gods (Season of the Gods) (Volume 1)** E. S. Gaffney, G. S. Weller  
In Wyanet, no one bothers to lock their cars or their homes at night—there just isn't any need for such things. The people who live here are, for the most part, content. Happy. Safe. The arrival of a traveling fair offers a surge of excitement and fun for the sleepy burb...or, at least, what should be. But this fair brings more than fried food and rides for the thrill-seekers. It brings something much more sinister. As the bodies pile up, it becomes clear that something bigger, darker, and hungrier than any human being has set its sights on Wyanet. And no one is properly prepared to even survive... ..Much less fight it.
