What happens when an alpha male meets a rather coy & demure female, who also happens to be older than him?

Nelly had never imagined that a chance meeting with Zach on a busy street of Atlanta would open up an intimate but disturbing chapter in her otherwise quiet life. Although she is just twenty-five, she thinks herself to be a cougar in relation to this new kid on the bloc and is therefore, hesitant and unsure about dealing with the aggressive teenager. On the other hand, Zach is all out to pursue this strange encounter of the familiar kind to its logical conclusion. He is out to prove that he is no longer a kid and has the maturity of a man.

But, the St Patrick's Day celebrations at an Irish pub confront Nelly with a blast from the past which leaves her stunned. Some dark and dirty secrets start unfolding before her for which she is not prepared at all.

Will Nelly be able to face this ghost of the past and move on without a sense of guilt?
