**The 'gripping and riveting' ( S.M. Stirling, author of *The Scourge of God*) Destroyermen saga continues.**

Lieutenant Commander Matthew Reddy, along with the men and women of the USS *Walker*, have chosen sides in a war not of their making. Swept from the World War II Pacific into an alternate world, they have allied with the Lemurians? a mammalian race threatened by the warlike reptilian Grik.

The Lemurians are vastly outnumbered and ignorant of warfare, and even the guns and technology of *Walker* cannot turn the tide of battle. Luckily they are not alone? Reddy finally finds *Mahan*, the other destroyer that passed through the rift. Together, the two American ships will teach the Lemurians to make a stand. Or so they think.

For the massive Japanese battleship *Amagi*, the very ship that *Walker* was fleeing from when the rift took them, has followed them through. And now the *Amagi* is in the hands of the Grik.
