KILL ANYONE, ANYWHERE, ANYTIME...NEVER GET CAUGHT. John Savage is a special force of one. A corporate investigator who had to leave when an investigation went wrong. He's become a 21st century warrior serving overseas but not for any one government only the highest bidder. When he finds a dead body with links to his old life he returns and finds that what forced him out was only the beginning of a conspiracy to commit murder on a grand scale. The Dark Market. In which anyone can take part and anyone can be a victim. Now Savage must battle to finish what he started. "There is something refreshingly Hemingway-esque about Coles..." BBC's Focus magazine.
