## Sample Of What's Inside!

Because sex had always been with Mitch, it had always been inextricably linked with love. For me, at least. I didn't know what it was like to seek out physical pleasure in and of itself. I didn't know how it felt to act on the pure desire that could be ignited by a stranger. I had no experience of throwing caution to the wind and acting on primal sexual impulse. And although I'd always assumed I didn't *want* those things, there was a small part of me that wondered what it would feel like to do something completely out of character. Did I want to be the same Hollie I'd always been? A quiet voice reminded me that, if I wanted to reinvent myself, now was a perfect time to do it.
