Gangster Fallacies: California Love (Volume 2) James Brown IV

Gangster Fallacy, noun - the mistaken belief that crime pays as a long-term career choice. Gangster Fallacies, Volume 2: California Love expands the Gangster Fallacies universe with six new hard-hitting and moving street tales of infallible humans who take the shortcut of drugs, sex and guns in their pursuit of the American Dream. Set against the backdrop of the sunny streets of San Diego, these urban stories serve as graphic testimony that there is more to America's Finest City than palm trees, pristine beaches and bikini-clad beauties. Take a seat and witness the emotional rollercoaster of these powerful narratives from the comfort of your favorite chair. In Ghetto Vet, a former soldier turned infamous hitman decides to take one for the community the only way he knows how. In No Vaseline, a newly-released parolee looks to rekindle a vibe with his best friend and former cellmate. A certified gangbanger gets more than what he bargains for when he jacks a teen for his joint in Sherm Stic and in Better Off Dead, an unlucky gangster reaches the end of his rope following a day he would like to forget. Plus, two additional urban files featuring unforgettable characters facing unenviable circumstances. Uncompromisingly gritty and action-packed, Gangster Fallacies, is an Urban Crime series that redefines the urban fiction landscape with entertaining yet true-to-life fictional accounts featuring the wild west exploits of James Brown IV's unforgettable West Coast characters that illustrate why the streets are hell for a hustler.
