Four friends, a sun-drenched escape, and a holiday that will change everything...

THE VILLA GIRLS is the story of four young women who decide that wherever they are in the world and whatever they're doing they'll meet every few years for a holiday together somewhere sunny. Despite life taking them in very different directions, their snatched days in the sun in little hidden villas are crucial to them all. Escape, celebration, recovery - over the years the holidays change their lives.

Rosie was always the odd one out - initially only invited as the others felt sorry for her, but it seems that in the end, she might be the one whose life is touched the most by her villa days. For it's there that she meets Enzo. The eldest son of an olive oil dynasty in southern Italy, he is being groomed to take over one day as head of the family.

Rosie and Enzo have a holiday romance that seems set to become something more serious until she discovers he is not entirely what he seems. Years later they meet again and this time Rosie must decide how much she is prepared to compromise for the sake of love...
