Some praise from satisfied thriller readers.

Shell, Lincoln... This was a fast paced story full of suspense and I am just about to buy the next book as I can't wait to see what happens. I would definitely recommend this book!

Knightmare said... I read this book practically in one sitting and then went straight on to read the sequel. It's a fast-paced story with a terrifying villain and a great heroine. I love books with strong female characters and Lorne Simpkins is one of the best I've come across - no matter what's thrown at her, she keeps on fighting. The book has the feel of an English version of 24 with a female Jack Bauer.

D. Thompson said...All in all, an enjoyable thriller and I did immediately download the sequel, so that, in itself, is sufficient recommendation.

Irene said...Was not sure what I expected but loved this book it was fast paced from page one and did not let up, in fact i only downloaded it yesterday lunchtime and could not put it down I stayed up till 12.30 this

morning to finish it, the characters were excellent even the bad guy was portrayed in such a way as to send shivers down the spine. Cannot wait for the sequel to see what happens next.
