Olivia's life is in the toilet. She caught her fiance with his (very male) secretary in an eye-bleach worthy embrace. Then her brother died tragically in a car accident. When she learns that she's inherited his lucrative company, Olivia decides to make a fresh start... only she's slightly out of her element at Random, the elite hook-up service her brother founded.

Taking a hands-on approach to the business, Olivia sets up her first Random date and quickly learns that finding the man of her wicked dreams is as easy as ordering takeout.

Random is an erotic romance novella of approximately 16,000 words and is meant for mature readers over 18 years old, as it contains adult situations. (M/F)
