After three agonizing days he decided that the only possible course of action was that President had to die. Tanner initiated a plot to have President assassinated in a way that would make his death look like an accident. Because Hoskins' mistress, Sarah, knew of his treason she had to die as well. Five years later Sarah's alcoholic husband found her diary which eventually fell into the hands of Sarah's daughter, Allison, and ex-CIA analyst, Steve Grant. Now the plotters are in full clean-up mode.
