Wild Fell: A Ghost Story

Michael Rowe

Wild Fell: A Ghost Story Michael Rowe

The crumbling summerhouse called Wild Fell, soaring above the desolate shores of Blackmore Island, has weathered the violence of the seasons for more than a century. Built for his family by a 19th-century politician of impeccable rectitude, the house has kept its terrible secrets and its darkness sealed within its walls. For a hundred years, the townspeople of Alvina have prayed that the darkness inside Wild Fell would stay there, locked away from the light.

Jameson Browning, a man well acquainted with suffering, has purchased Wild Fell with the intention of beginning a new life, of letting in the light. But what waits for him at the house is devoted to its darkness and guards it jealously. It has been waiting for Jameson his whole life...or even longer. And now, at long last, it has found him. From the Sunburst and Aurora Award-nominated author of *Enter, Night* comes an unforgettable contemporary ghost story in the classic tradition of Henry James's *The Turn of the Screw*.
