Worlds of History, Volume I: To 1550: A Comparative Reader Kevin Reilly

Compiled by a widely respected world historian and community college teacher, *Worlds of History* fosters historical thinking through thematic comparisons of primary and secondary sources from around the world. Each chapter takes up a major theme — such as patriarchy, love and marriage, or globalization — as experienced by two or more cultures. "Thinking Historically" exercises build students' capacity to analyze and interpret sources one skill at a time. This flexible framework accommodates a variety of approaches to teaching world history. The latest edition offers a broader range of sources with an even more global perspective.
