Canadian Economic History

W.T. Easterbrook, Hugh G.J. Aitken

Canadian Economic History W.T. Easterbrook, Hugh G.J. Aitken

Through three centuries of development, the history of the Canadian economy reflects the shifting roles of natural resources, industrializations, and international trade. This volume, a standard in the field since its initial publication in 1958, presents a comprehensive account of these and other factors in the growth of the Canadian economy from the time of the earliest European expansion into the Americas.

The authors consider economic organization both on the level of the national economy and on that of the individual business unit. Among the subjects examined are the growth of the fur, fishing, and timber trades; the impact of successive wars; money and banking; the development of railway and canal systems; the wheat economy; the growth of organized labour; and twentieth-century patterns of investment and trade.

The focus throughout is on the role played by business organizations, large and small, working with government, in creating a national economy in Canada.

From reader reviews:

Robert Brown:

Here thing why this specific Canadian Economic History are different and dependable to be yours. First of all studying a book is good but it really depends in the content of the usb ports which is the content is as delicious as food or not. Canadian Economic History giving you information deeper since different ways, you can find any book out there but there is no book that similar with Canadian Economic History. It gives you thrill looking at journey, its open up your eyes about the thing this happened in the world which is perhaps can be happened around you. You can bring everywhere like in park your car, café, or even in your method home by train. When you are having difficulties in bringing the printed book maybe the form of Canadian Economic History in e-book can be your alternative.

Marianne Haglund:

Information is provisions for those to get better life, information presently can get by anyone from everywhere. The information can be a know-how or any news even restricted. What people must be consider whenever those information which is from the former life are challenging be find than now is taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you obtain the unstable resource then you have it as your main information you will see huge disadvantage for you. All of those possibilities will not happen with you if you take Canadian Economic History as your daily resource information.

Bobby Gonsalves:

This Canadian Economic History is great guide for you because the content that is certainly full of information for you who always deal with world and also have to make decision every minute. This book reveal it info accurately using great manage word or we can declare no rambling sentences in it. So if you are read the idea hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but tricky core information with attractive delivering sentences. Having Canadian Economic History in your hand like obtaining the world in your arm, data in it is not ridiculous one particular. We can say that no reserve that offer you world within ten or fifteen moment right but this publication already do that. So , this can be good reading book. Hey Mr. and Mrs. occupied do you still doubt which?

Arthur Bailey:

Is it you actually who having spare time then spend it whole day through watching television programs or just telling lies on the bed? Do you need something totally new? This Canadian Economic History can be the response, oh how comes? A book you know. You are therefore out of date, spending your spare time by reading in this brand-new era is common not a geek activity. So what these books have than the others?
