**Etsy** has successfully brought craft fairs to the people of the online world and they have shaken the image of handmade items from ‘that will do’ items to hot ticket best-selling and hugely desirable products. Just because this platform exists though, doesn’t mean that getting to the top of it is as easy as having a great product and putting it into a search engine. With this book you will be told how to set yourself up on Etsy for success and how to create a growing income from your boutique items.

- Discover how to find out what is trending in the handmade and vintage world and how you can be a part of that
- Find out the best way to optimize your Etsy page so that it will come up at the top of a search engine and people will click on your product over another
- Read the secrets to getting to the front page and how best to use forums and teams to create a lasting brand that will keep customers coming back again and again
- Promote yourself for free with several social media platforms that are especially catered to Etsy users
