Georgia has the reputation of being one of the most haunted places in America. Because of its age, its history, and its sometimes tragic experiences, there are plenty of tales, ghost stories and haunted locations that take creepiness to a whole new level.

Georgia was established in 1732 and is one of the oldest states in the U.S. As one of the original 13 colonies it is charming and beautiful, and is wreathed in history and culture. The city of Savannah, along the Georgia coast, not only holds the distinction of being the oldest city in Georgia, but is one of the oldest cities in the United States.

As any ghost hunter or researcher of paranormal activity will tell you, the older the location the more active the ghosts.

Georgia is also home to many Revolutionary War and Civil War battles as well as Pirate and Indian skirmishes, some of which are at the heart of the true ghost stories and hauntings within this book.

Join ghost hunter Sarah Ashley, as she shares with you some of the most popular locations in Georgia for haunted houses and ghosts. She will expose you to Georgia's hot spots of paranormal mystery and activity such as the Pirate's House in Savannah, Spook Bridge (yes that's right) in Lowndes County and many more.
