Heresies: Against Progress And Other Illusions

John Gray

Heresies: Against Progress And Other Illusions John Gray

By the author of the best-selling *Straw Dogs*, this book is a characteristically trenchant and unflinchingly clear-sighted collection of reflections on our contemporary lot. Whether writing about the future of our species on this planet, the folly of our faith in technological progress, or the self-deceptions of the liberal establishment, John Gray dares to be heretical like few other thinkers today.
