As Christians our personal histories with God are intended to well inform us in the light of his Holy Writ of His purpose in giving to us the gift of life. Life is a journey lived out upon a path that is destined to lead us back to Him. Knowledge without understanding and understanding without application where the rubber meets the road in our daily leads to nowhere. Over time and under pressure our interaction with the Father of Lights brings revelation and with that comes vision and certain direction. My reason for compiling a collection of quotes is an endeavor to facilitate you on the unique journey to your destination. The commentaries expand on the hard won wisdom gained over fifty six years of walking in union with Christ the child of Wisdom. "Everything I have learned has not come from books, it has come experientially over time under pressure walking with Christ". ~R. Alan Woods
