Celebrity chef Jamie Oliver brought his mini-series, *Jamie Oliver's Food Revolution*, to Huntington, West Virginia, "the fattest city in America." But long before the small town was on the chef's radar, one pastor had already begun to pray for Huntington's spiritual and physical transformation. *Winning the Food Fight* is pastor Steve Willis' insider look at the divine timing of Jamie Oliver's visit and a backstage pass to the events that are changing the heart and health of an all-American city. Readers will encounter the stories of real people who have made the connection between spiritual wellness and physical health, and be inspired to begin their own journey toward God-honoring transformation using Pastor Steve's practical, biblical plan.
